BREADS

508g -18°C 180min 190°C 6min ✓ 12

Allergens: 1

Kvasko caraway bread

Caraway bread is one of the most traditional types of bread in Slovak households. It is made of honest Slovak ingredients, without artificial additives, E's or yeast. The most distinctive ingredient is ground caraway, considered to be the oldest spice in Europe. The secret of its exceptional taste lies in the honestly cultivated sourdough starter, so that the bread is rightly the centre of every meal, not just a small addition to it. You'll love it!

508g -18°C 180min 190°C 6min ✓ 12

Allergens: 1

Kvasko peasant bread

The recipe of the sourdough peasant bread is based on the values of our family company and adheres to honest traditions. It has a fantastic taste and aroma, crispy crust, fluffy and supple crumb, thanks to its baking in a traditional stone oven. The basis of its delicious taste and fluffy dough is properly grown ferment, which is given enough time to mature resulting in the high quality of the bread.

508g -18°C 180min 190°C 6min ✓ 12

Allergens: 1

Kvasko wheat bread

Kvasko wheat bread is characterised by high hydration, but bread flour can handle water and use it to its advantage in baking. The popular bread of sourdough line contains no added preservatives, E's or yeast. The yeast and other leavening ingredients are replaced by mother wheat ferment, which is given sufficient time to mature in MINIT to prolong the bread's durability.

508g -18°C 180min 190°C 6min ✓ 12

Allergens: 1

Kvasko traditional bread

A characteristic feature of Kvasko rustic bread is its interesting twisted shape. The skilful hands and patient work of our bakers bear fruit in the form of popular traditional white bread with each piece being a tasty original. The bread baked in a stone oven is made of wheat flour and honest natural mother sourdough starter.

508g -18°C 180min 190°C 6min ✓ 12

Allergens: 1, 11

Kvasko farmer's bread

Kvasko farmer's bread reflects the creative work and dedication of our bakers to bake delicious breads. Thanks to the long term maturation process of the mother sourdough starter, made only of water and flour, the bread has a delicious crumb and a crispy, dark golden crust. When you see it, you'll be tempted by the rich sprinkling of golden flax, flax seeds and oat flakes.
